Employee Travel Policy

Version 2.0 | Effective: March 1, 2024

Issued by: Finance and HR Joint Committee | Authority: Tier 1

This document supersedes Version 1.0 (January 2022)

1. Daily Meal Allowance

The revised daily meal allowance is USD 75 per day for domestic travel.
For international travel the allowance is USD 120 per day.
Itemized receipts are required for all meal expenses regardless of amount.
Alcohol is not reimbursable under any circumstances.

2. Hotel Accommodation

The maximum reimbursable hotel rate has been increased to USD 200 per night for domestic travel.
For international travel the limit is USD 280 per night.
Hotel bookings must be made at least 14 days in advance.
Last-minute bookings under 7 days require VP-level approval.

3. Flight Bookings

Economy class is mandatory for all domestic flights and international flights under 6 hours.
Business class is permitted for international flights exceeding 6 hours with budget approval.
All flights must be booked at least 21 days in advance.

4. Ground Transportation

Taxi and rideshare reimbursement has been increased to USD 60 per day.
Rental cars require prior approval from the department head.
Personal vehicle mileage reimbursement rate is USD 0.67 per mile per IRS guidelines.

5. Expense Submission

Expenses must be submitted within 21 days of travel completion.
Late submissions require CFO approval.
All receipts must be digital and uploaded to the expense management system.

6. Non-Reimbursable Expenses

Non-reimbursable items include personal entertainment, minibar charges, gym fees, travel insurance purchased without pre-approval, and seat upgrade fees.

Approved by: Finance and HR Joint Committee. Review Date: March 2026.
